

SBCC NOTICE OF RACE: RACE COURSES

X. RACE COURSES

COURSE INSTRUCTIONS

1. When passing under the Robert Moses Causeway, the center span must be used.
2. When the designated course is to be sailed twice around, the "X" mark is a mark of the course the second time around. It is to be rounded on the same side as the next mark of the course unless otherwise specified.
3. For all Yacht Club Invitational races please see their Sailing Instructions for the event.
4. All marks are to be rounded or left on the side indicated.
5. The wind directions listed to the right of each course serve as an approximation of the suitability of that course under current wind conditions. Every attempt will be made by the Race Committee to select a course with a balanced upwind start.
